Conference "Scope" and "Talking Points"

PARADIGM

The prevailing view of things; a set of assumptions, concepts, values, and practices that constitutes a way of viewing "apparent" reality.

Our EXPECTATION of GOD, OVERCOMING of TEMPTATIONS, WAITING in PRAYER, and SERVICE in MINISTRY flow out of the "LENSES" of the PARADIGM that we are looking through. Since the RESURRECTION of the LORD JESUS CHRIST, God "shifted" and "gifted" His Church in a NEW PARADIGM. We gather to be "shifted," "refreshed" and "edified" in the PARADIGM of what "GOD is doing" in this "day and hour" through the Church and the necessity of a corresponding "shift" in the Church's PERCEPTION of the "doing of God."

- What **in the world** is God "doing" today? Why we **must** know and how we **will** know.
- "Asking and receiving **not**," hoping, believing, praying, and walking "amiss."
- "Name brand" **Faith** vs. "generic" **Faith**; the distinguishing ingredient of a **HOPE** that is "not yet" to energize a **FAITH** that "is now."
- Why God... when God... where God? **Questions** answered in **who** God!
